

Dear Friends and Supporters,

For more than 20 years, the Greensboro Medical Society Foundation has invested in the future of healthcare by providing scholarships that help aspiring physicians and healthcare professionals achieve their educational goals. Since its inception, the Foundation has awarded more than **\$350,000** in scholarships to over **133 students**, helping to remove financial barriers while strengthening the healthcare workforce that serves our community.

On behalf of the Greensboro Medical Society Foundation, I am pleased to invite you to become a sponsor of our **34th Annual Scholarship Fundraising Gala: Diamonds and Pearls**, to be held at Grandover Resort and Spa, 1000 Club Road, Greensboro, NC on **Saturday, February 13, 2027**.

This signature event brings together physicians, healthcare professionals, business leaders, educators, and community advocates in support of one shared mission: investing in the next generation of healthcare professionals.

Thanks to the generosity of sponsors and donors like you, our 2026 Scholarship Gala awarded \$30,000 in scholarships to deserving students pursuing careers in medicine and the health professions. Every sponsorship expands that impact by helping talented students overcome financial barriers and pursue careers dedicated to improving the health of our community.

Your Impact

Your sponsorship directly helps to:

- Provide scholarships for future physicians and healthcare professionals.
- Reduce educational debt, allowing graduates to focus on serving patients and communities.
- Strengthen the local healthcare workforce.
- Demonstrate your organization's commitment to education, community health, and workforce development.

Our Scholarship Gala features exceptional dining, entertainment, fellowship, and celebration, but its true purpose is changing lives through education.

We invite you to review the enclosed sponsorship opportunities and join us in making a lasting investment in the future of healthcare.

Sincerely,

Ayesha Lovick, M.D.
President
Greensboro Medical Society Foundation
